I'm not ready to become a partner, but wish to make a contribution.

I understand that this gift supports the local chapter in its quest to serve our members and communities by promoting best practices, advocating education, and growing the widespread acceptance of the LEED<sup>™</sup> Green Building Rating System as an integral component of all building projects. Gifts to the USGBC Utah Chapter, are gifts to a publicly supported charity, and entitled to income tax deductible status.

I/we will receive a receipt for this gift, acknowledging the value of my contribution. I/we attach a corporate logo (if applicable) with this gift, and expressly permit publication of our identity as a supporter of the U.S. Green Building Council Utah Chapter.

I/we understand that our support of the U.S. Green Building Council Utah Chapter will be recognized by the chapter for one year, commencing from our date of enrollment.
